Subject: Auto accident

Steve,

Here is my report of the accident that happened on 10/4/12 during homecoming parade.

I was there with my daughter's float. The parking lot was getting full with cars coming in and out. I red car(driver A) pulled in, he stopped to allow another car (driver b)continue backing up into a parking space. Driver B was looking over his right shoulder as he was backing up into the parking space. He never looked over this left shoulder to see if there was anyone or thing on his left side. That is when he backed right into driver A.

Any questions give me a call 513-490-6153 my cell

Thanks
karyn
